Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

ARMY PAY OFFICE, *24th December*, 1817.

NOTICE is hereby given, that the Pensions granted to the Widows of Officers of the Army and Marines, due this day, will be in course of payment at this Office on the 5th of January next, between the hours of eleven and two o'clock.

The Pay of Adjutants of Local Militia, of Officers retired from the late Royal Veteran Battalions, and of Officers retired under the Acts 51st and 52d George III. on the 15th January next.

The Allowances to General Officers (not being Colonels of Regiments), the Pensions granted to Officers who have sustained Injury in the Service, and likewise the Allowances as of His Majesty's Royal County, on the 3rd January next, between the hours aforesaid, Saturdays excepted.

N. B.—The Documents transmitted for receiving the above through Officers of the Revenue will be acted upon with all practicable dispatch.

All Officers, &c. of the above description, who may wish to receive their respective Allowances by a Remittance from the Pay Office, are required, at the time they forward their several Affidavits necessary for that purpose, to transmit separate Papers, shewing the manner in which they respectively sign their Names, in order that such separate Papers containing their Signatures may be forwarded with the Duplicate Remittance Bill to the Revenue Officer from whom they are desirous of receiving their Allowances.

WAR-OFFICE, *27th August*, 1817.

NEW and successful Methods of treating Disorders of the Eyes, more particularly those arising from Egyptian Ophthalmia, having been discovered, and it being the wish of his Majesty's Government to extend the advantages of these discoveries to the Out-Pensioners of Chelsea Hospital, who are afflicted with Ophthalmia and other Disorders of the Eyes, the Secretary at War desires that

who is understood to labour under a malady of the above description, will upon being required, by the delivery of this order, submit himself to an Examination by one of the Military Medical Officers appointed Assistants to *Sir William Adams*, in order that if his case be found susceptible of relief, he may proceed to London for the purpose of being placed under the care of the latter Gentleman.

If the Out-Pensioner should be desirous of returning to his home, before he proceeds to London, he will notify his desire to the Inspecting Medical Officer, who will arrange with him the time, and place, at which he will be required to embark for London.

The Out-Pensioner will be allowed the usual rate of Marching Money (being One Shilling and Ten-pence a day) from the place of his residence, or the Station where he shall be inspected (as the case may be), to the place of Embarkation, reckoning Ten Miles for a Day's March. He will also be provided with a free Passage and Ship's Provisions, and be allowed One Shilling a Day for the period during which he shall be detained waiting for a Passage.

If the Inspecting Medical Officer shall deem it absolutely necessary that a guide should accompany the Out-Pensioner, on proceeding to the place of Embarkation, the same Rate of Marching Money to the Station to which the Pensioner is ordered, and on the return home, will be granted for the guide, upon the Man's producing a Certificate from such Inspecting Medical Officer, of the necessity for the attendance of the guide.

It may be proper to explain to the Out-Pensioner that his Pension will certainly be Suspended, if not ultimately taken from him, if he fails to comply with this order, (unless a Certificate be produced from the Clergyman of the Parish, or a Justice of the Peace, that he is prevented from attending by Illness,) or if he conducts himself improperly whilst under Medical Care.

The Out-Pensioner may be assured of receiving every comfort and attention requisite to the Cure of his Malady, but it will of course be proper that he should take with him such Articles of Clothing and personal Necessaries, as may be requisite for him, whilst absent from his home.

Given at the War-Office, this 27th day of August, 1817.

By Command of His Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty.

GENERAL ORDER. No. 398.

HORSE GUARDS, *4th October*, 1817.

THE Commander-in-Chief is pleased to approve of General Officers Commanding Districts in Great Britain granting Leave of Absence to Officers, and Furloughs to Non-commissioned Officers and Soldiers, under the following Limitations and Restrictions.

The Leaves of Absence granted under this Order, to Officers, may commence as soon as the Half Yearly Inspections shall have been made:—The Furloughs granted to Non-Commissioned Officers and Soldiers are to commence from the 25th of the present Month.

The Indulgences granted under this Order are to terminate on the 10th March next, when, in conformity with his Majesty's Regulations, all Officers and Men are to be present with their respective Regiments.

In the event of Regiments or Battalions, being in Stations, not comprized in Military Districts, the Officers Commanding are at liberty to use their Discretion in granting the Indulgence of Leave of Absence, under the same Restrictions, to the Officers and Men under their command.

One Field Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.

No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom, without having first received the Prince Regent's Special Permission.

The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the Number hereby fixed for the constant Duty of the Regiment or Battalion.

The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in Pages 52 and 53 of the General Regulations of the Army.

In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of Regiments, it will be necessary that a special Report should be made as to the mode in which their Duties are to be performed during their Absence.

The proportion of Non-Commissioned Officers, Trumpeters, Drummers, and Private Men, to whom Furloughs may be granted, are not to exceed Ten per Troop or Company.

This Order does not apply to the Officers and Men doing Duty at the Depots of Regiments on Foreign Service.

By Command of His Royal Highness,
The Commander in Chief.
HARRY CALVERT,
Adjutant General.

GENERAL ORDER. No. 399.

HORSE-GUARDS, 30th October, 1817.

THE Commander in Chief having been pleased to direct on the 10th January last, that in the case of Soldiers, whom Commanding Officers of Regiments may, *from particular circumstances*, feel themselves justified in recommending for Discharge, at their own request, or at the request of their Friends, the Sum of Twenty Pounds shall be paid by each, instead of procuring Substitutes, the following Regulations are to be observed in transmitting, for the Commander in Chief's consideration, the Applications on this subject, and in regard to the appropriation of that Money in the Public Accounts, in pursuance of the directions of the Secretary of War, viz.

1. All applications from Soldiers for their Discharge under this Order, are, in conformity to the General Regulations of the Army, to be made through the Commanding Officers of their respective Regiments.

2. In transmitting these applications to the Adjutant-General, for the Commander in Chief's decision, Commanding Officers are to state the age, height, and services of the Soldier by whom the application is made, and the particular grounds upon which they are induced to recommend that the request may be complied with:—The Applications from Soldiers in Regiments Abroad, are of course to be forwarded through the General Officers Commanding.

3. In every case in which the Commander in Chief's authority is given for the Discharge of a Soldier on the payment of the Sum of Twenty Pounds, the Commanding Officer is to report to the Adjutant-General the date on which the Sum is paid;—to whom it is paid, (that is, Regimental Agent or Paymaster,) and the date of the Discharge of the Soldier, in order that a communication may be made to the Secretary at War.

Digitized by Google

4. No Money is to be paid, or received, until the Authority of the Commander in Chief shall have been obtained.

5. The Sum received on Account of the Discharge of a Soldier, is to be deducted in the Account in which his Pay is last charged, and the Commander in Chief's Authority for the Discharge is to be annexed.

6. The usual Allowance granted to carry Soldiers and their Families Home, on being discharged, is not to be charged in the cases of Soldiers discharged under this Order.

7. When Soldiers are authorised to be discharged *from Regiments Abroad*, on payment of the Sum of Twenty Pounds, the expense of their passage is to be defrayed by themselves, or by their friends.

8. In filling up the Discharges of Soldiers who may be discharged under this Order, the *Date* of the Commander in Chief's authority is to be stated in the 3d Certificate prescribed in the established Form of Discharge; thus:

3d Certificate of the cause of Discharge.

That in consequence of having paid the regulated Sum of Twenty Pounds by the Authority of the Commander in Chief as signified in the Adjutant-General's Letter dated He is hereby discharged.

By Command of His Royal Highness
The Commander in Chief.

HARRY CALVERT, Adjutant Gen.

SIR,

I HAVE the honour to transmit Three Copies of the enclosed Extract of the Act of the 57th Geo. III. Cap. 77, and in order that the Non-Commissioned Officers and Private Soldiers under your Command, may be made aware of the Provisions therein contained; I have to signify to you the Commands of his Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty, that this Extract be distinctly read to each Company by the Officer Commanding it on the 24th Day of each Month, for the Three Months next following after the Receipt of this Letter, and that it be also duly entered in the Orderly Books of the Regiment.

Copy of the 2d Clause contained in the Act of the 57th Geo. III. Cap. LXVII, being an Act for extending the Provisions of an Act of the 54th Year of His present Majesty, for regulating the Payment of Army Prize Money; and for authorizing the Commissioners of Chelsea Hospital to suspend the Pensions of such Persons as shall be guilty of Frauds in respect of Prize Money or Pensions.

"AND whereas no sufficient Provision is made for punishing Frauds relating to Pensions or Prize Money, and it is expedient that Power should be given to the Commissioners of the Royal Hospital for Soldiers at *Chelsea*, to take away or suspend the Pensions of such Persons as shall be guilty of Frauds or other gross Misconduct; be it therefore enacted, That from and after the passing of this Act, it shall and may be lawful for the Commissioners of the said Royal Hospital at *Chelsea*, and they are hereby authorized and empowered, upon Complaint and Proof being made to them of any Fraud, either with respect to the Receipt of Prize Money or Pension, or any other Money in the Nature of Allowance or Bounty Money, or of other gross Misconduct attempted or practised by any Person being a Pensioner of the said Royal Hospital, to suspend or entirely to take away the Pension of the Person so offending, and to issue to the Paymaster of Out-Pensions of the said Royal Hospital a Certificate, under the Hand of of the said Commissioners or Three or more of them, of any Pension being so suspended or taken away; and upon the said Certificate being issued to the said Paymaster of Pensions, he shall suspend the Payment of the Pension therein mentioned, according to the Tenor of the said Certificate; any Thing in any other Act contained to the contrary thereof in anywise notwithstanding."

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay *of any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Such Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

WARRANT AUTHORIZING CERTAIN ALTERATIONS IN THE RULES ESTABLISHED WITH RESPECT TO THE OUT-PENSION OF CHELSEA HOSPITAL.

GEORGE P. R.

By His Royal Highness the Prince Regent of the United Kingdom of Great Britain and Ireland.

WHEREAS We have deemed it expedient to revise the Regulations under which Pensions are granted, upon the Establishment of Chelsea Hospital, to discharged Non-Commissioned Officers and Soldiers of Our Land Forces; OUR WILL AND PLEASURE is, that the following Rules be established on this head, viz.

1st. That the Rates of Pensions to be granted by Our Commissioners of Chelsea Hospital to Non-commissioned Officers and Soldiers, inlisting subsequently to the 14th day of March, 1818, be in no case higher than the rate of Full Pay enjoyed by them at the time of their Discharge; excluding the additional Pay, if any, received for length of Service.

2dly. That, in reckoning the Services of Non-commissioned Officers and Soldiers claiming the Pension, no distinction be made between Service in the East or West Indies, and Service in any other part of His Majesty's Dominions.

3dly. That Non-commissioned Officers and Soldiers, claiming the Pension, shall be allowed to reckon the period of time only during which they have been actually serving, and in receipt of Pay; and that Years of absence subsequent to discharge shall not be allowed to reckon.

4thly. That with respect to *Soldiers at present serving*, Our Commissioners of Chelsea Hospital shall have the discretion of granting as a final Pension, more than Five Pence, and less than One Shilling per diem, to Non-commissioned Officers and Soldiers who shall have served more than Fourteen Years, and less than Twenty-One Years in the Infantry; and more than Seventeen Years, and less than Twenty-Four Years in the Cavalry, according to the number of Years such Non-commissioned Officers or Soldiers shall have served; and according to the particular circumstances of the case.

5thly. That Our Commissioners of Chelsea Hospital shall not grant Pensions in respect of Disability, unless such Disability be stated in the Discharge of the Soldier to have been *contracted on Service*; and that in all cases the Commanding Officers of Regiments shall insert in Discharges their recommendation of the Discharged Soldier, when they think him deserving of such recommendation.

6thly. That the Rules already established with respect to the Out-Pension of Soldiers inlisted for Limited Service be considered equally applicable to Soldiers now inlisted, or who shall hereafter inlist for an Unlimited Period.

And for so doing, this shall be, as well to Our Commissioners of Chelsea Hospital, as to all other Persons whom it doth or may concern, a sufficient Warrant, Authority and Direction.

Given at Our Court at Carlton House, this Sixteenth day of February, 1818, in the Fifty-eighth Year of His Majesty's Reign.

By Command of His Royal Highness the Prince Regent, in the Name and on the Behalf of His Majesty.

WAR-OFFICE, DEPARTMENT OF ACCOMPTS, *19th March*, 1818.

SIR,

It having been decided, that the Effects and Credits of Men having become non-effective by Death, should, from the 25th of December, 1817, be accounted for in the Regimental Pay-List, by a deduction from the total of Pay, in the same manner as the Effects and Credits of Deserters, instead of being remitted to the Regimental Agents; I have the honour to transmit herewith, amended Forms of the Monthly Casualty Returns, and to desire, that you will cause corrected Returns to be made out and transmitted for the two months, ending 24th January and 24th February, 1818.

Should any remittance have been made to the Agents, on account of Effects and Credits of Men since the 24th of December last, the Regimental Paymaster is to obtain the Amount thereof from the Agent, and deduct the same in his Quarterly Pay List to the 24th March, 1818.

A further supply of the amended blank Forms may be obtained on application to this Department.

You will acknowledge the receipt of this Letter.

I have, &c.
